2. PRODUCTS

This declaration applies to the products and the packaging used for their commercialization and shipment by Atusa Empresarial, S.L.U.

3. LEGAL AND REGULATORY COMPLIANCE

Atusa Empresarial, S.L.U. declares, under its sole responsibility, that the packaging used for the commercialization of its products complies with the applicable requirements set forth in Regulation (EU) 2025/40 of the European Parliament and of the Council of 19 December 2024 on packaging and packaging waste (PPWR), as well as any other applicable legal provisions.

- The packaging has been designed and manufactured in accordance with the applicable requirements of the PPWR.
- Limitations regarding restricted substances and heavy metals, as established by applicable regulations, are met.
- The packaging complies with the required standards for minimization, sustainability, and environmental protection.
- The packaging is designed to facilitate reuse, recovery, and recycling, where applicable.

• The necessary technical documentation is available to demonstrate the conformity of the packaging with the applicable legal requirements.

4. HEAVY METALS

The heavy metals regulated by the PPWR (lead, cadmium, mercury, and hexavalent chromium) are not intentionally added, and their total concentration does not exceed the limits established by applicable legislation.

5. TECHNICAL DOCUMENTATION

Atusa Empresarial, S.L.U. maintains and retains the technical documentation necessary to demonstrate compliance with applicable legal requirements and will make it available to the competent authorities upon request.

6. VALIDITY

This declaration shall remain in effect unless substantial changes occur in the applicable legislation, the specifications of the products or packaging, or the manufacturing or supply processes.
